Sir,

(VIII)

With reference to Government Order No. Mis 1913 P.H. dated 20th November 1923, communicating to me for necessary action the remarks dated 12th October 1923 of the Director of Public Health, Madras, in the matter of constituting Joint Committees for the management of the festivals at Udipi and Vittal, I hve the honour to state that the District Health Officer to whom a reference was made on the subject suggested that no Joint Committee need be constituted for the festival at Vittal as in his opinion Vittal is not "such an important place of perennial pilgrimage as to require a committee to manage it". On the other

hand he proposed Joint Committees for the undermentioned festivals as well as for the Pariyaya festival at Udipi.

1) The Illumination festival at Dharmastala and

2) The Shasti festival at Subramania.

2. The matter was considered by the District Board at its meeting held on 31st May 1924. The Board is of opinion that none of the festivals mentioned above require Committees to manage them. A copy of the Board's resolution on the subject is enclosed.

To The Secretary to the Government of Madras,

LOCAL SELF-GOVERNMENT (PUBLIC HEALTH Department.),

Sir,

Reference:--Government Memorandum No.21493-1-P.H. dated 6th. August 1924.

I have the honour to state that the recommendation of the Dt. Board that Joint Committees are not necessary for the management of fairs and festivals cannot be accepted as far as the three important festivals at Udipi, Dharmasthala and Subramania and the cattle fair at Kulgunda are concerned. As the festivals at these places are said to be of more than local importance, they should be managed only

only by a Joint Committee consisting of the Taluq Board, and District Board, with a representative of the temple authorities concerned with these 3 festivals.

I have the honour to be,

Sir,

Your most obedient servant,

D.Hy., D.P.H.(Cantab).
